3. [Equal Seniority](#)

If two (2) or more employees subject to layoff have equal seniority, as determined by hire date, the determination as to who shall be laid off shall be made by lot.

District shall add the date of hire to the worksheet/benefit statements utilized by the District and route statement to each job site at the beginning of each school year.

4. [Notice of Layoff](#)

- a. The District shall meet with CSEA to negotiate the impacts of the proposed layoff.
- b. An employee may challenge his/her place on the seniority roster by making objections to the superintendent who shall review the objections and conduct an audit if requested and make the results of such audit known to CSEA and the employee(s) prior to the effective date of any layoff(s) involving such employee(s).
- c. After Board action has been taken on a layoff, a written notice of layoff shall be given to affected employees no less than sixty (60) calendar days prior to the effective date of layoff. A copy of the notice shall be concurrently sent by mail to the President of CSEA Chapter #574 or his/her designee with a list of the employees to whom sent. Such notice shall indicate the layoff effective date and inform the employee of his/her displacement rights, if any, and reemployment rights.

5. [Voluntary Layoff](#)

An employee whose assigned time is to be reduced (e.g., by reduction of hours or of the work year) may elect to be laid off instead. In that event the employee should be given rights pursuant to Section 7 of this Article for a period of sixty-three (63) months. The rule stated in subdivision a. of Section 11 of this Article shall apply to the vacancy so created.

6. Displacement (Bumping) Rights

- a. An employee who is laid off from a classification and who has previously obtained permanency in an equal or lower classification shall have the right to bump the least senior employee in that classification. Where the employee is eligible to bump into more than one classification, the employee shall bump into the equal classification. If there is more than one classification which he/she is eligible to bump into, it shall be the one in which the employee has the most prior service.
- b. Seniority for the purpose of determining bumping rights shall be determined by original date of hire and include the total of the previous service in the equal or lower class being bumped into, plus higher classes.
- c. A permanent ~~or probationary~~ employee who has been removed from his/her classification for lack of work or lack of funds and after exercising his/her bumping rights may accept a voluntary demotion to a vacant position in a lower class or placement in an equal class, provided that the employee is qualified to perform the duties thereof and provided further that the District approves such reassignment. Such employee shall maintain his/her employment rights as defined in this Article.

7. Section Removed

8. Improper Layoff

Any employee who is improperly laid off shall be reemployed immediately upon discovery of the error and shall be reimbursed for all loss of salary and benefits.

9. Reemployment Rights

- a. Laid-off employees are eligible for reemployment in the classification from which laid off for a thirty-nine (39) month period from the effective date of layoff and shall be reemployed in the reverse order of layoff, as vacancies become available.
- b. Laid-off employees who, at the time of layoff, took voluntary demotions or voluntary reductions in assigned time shall be, at the employee's option, returned to a position in this former classification or to a position with increased assigned time as vacancies become available and for a period of sixty-three (63) months from the effective date of layoff. Such employees shall be ranked in accordance with their seniority on the reemployment list(s).
- c. An employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of opening(s) for which he/she is eligible. The notice shall be by certified mail to the last address of the employee on record with the District.
- d. In lieu of certified mail notice, the District may elect to give notice by telephone or in person. If the position is refused, the District will confirm such refusal by letter to the employee. CSEA shall be given written notice of all employees offered reemployment.
- e. An employee who has received and declined two (2) offers of employment in the classification from which laid off with the same or more hours than that held at the time of layoff shall be removed from the reemployment list.

- f. Within seven (7) calendar days of mailing the notice or within five (5) calendar days of telephone or personal contact, the employee must accept the position or the right to it is deemed waived.
- g. The District may simultaneously send out notices of vacancy to more than one person on the reemployment list provided that a more junior person may be given the vacancy only when those with more seniority have declined or waived it.
- h. Any acceptance by such employee of an assignment to a classification lower than the classification from which he/she was laid off or to the same classification but with fewer hours shall not affect his/her original sixty-three (63) month right to reemployment in his/her former classification and with the same number of hours. An employee given an offer of re-employment does not need to accept re-employment to maintain his/her eligibility on the reemployment list provided the employee notifies the District of his/her refusal of reemployment within ten (10) calendar days from receipt of the reemployment offer. If the employee accepts reemployment, he/she must report for work within eleven (11) work days following receipt of the reemployment offer unless a later reporting date is indicated on the reemployment offer or the District approves a later reporting date.

10. Reduction of Hours

- a. No employee's hours may be reduced by these layoff procedures to less than three (3) hours per day.
- b. Reduction in hours shall be no less than fifteen (15) minute increments.
- c. A reduction in hours applicable to an entire classification of employees shall be allocated as evenly as may be, subject to a. and b. above. The burden of inequality of reduction caused by a. and b. above shall be borne by those most junior.
- d. A reduction in hours shall not be implemented until the total number of employees within the classification is reduced to the same number that existed in that classification one (1) year prior to the date of said reduction.

11. Work Year

Any reduction in work year shall be governed by the same concepts for reduction and reinstatement of hours.

12. Continuance of Benefits

Employees whose hours are involuntarily reduced pursuant to Section 10 of this Article shall not lose any benefits under Article X because of such reduction for a period of twelve (12) calendar months.

This does not preclude a written warning before disciplinary action is imposed. Prior to dismissal, suspension or demotion shall be considered as appropriate.

Within fifteen (15) days after receipt of the transcript, the Board members shall read the transcript and any exhibits offered at the hearing and shall hold a meeting on five (5) days notice to hear argument only. - h. Time limits stated may be extended upon mutual agreement of the District and the employee.
- i. No disciplinary action shall be taken for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than two (2) years preceding the date of filing of the Notice of Intended Disciplinary Action unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the District.
- j. If the employee's presence would, in the judgment of the responsible administrator, constitute a hazard for disturbance to students, fellow employees or the public, the District may immediately suspend with pay the employee involved.
- k. The ALJ in making a recommendation, or the Board in hearing the matter or in reviewing the ALJ's recommendation, may modify the disciplinary action proposed by the administration or determine that the charges shall be dismissed.
