1. CHS Evaluation of School Needs, School Site Visit.
  2. Grant for Library Remodel and Business Department.
- Baliera Garcia President for EMS-ELAC:

Our committee focused on the 3 main LCAP goals this year. We had a working meeting and went over each of the 8 State Priorities and completed the Needs Assessment for Egling Middle School. I had the opportunity to participate in the School Site Visit for the first time and I truly enjoyed it. It was great to observe how engaged the students are in the classrooms. As many of you know Mrs. Johnston will retire this year, Mrs. Lemenager who is currently the Vice Principal will be then new Principal next year. We thanked Mrs. Johnston for all of her years of service. She will be greatly missed!

Carina Velazquez President for BPS-ELAC:

We completed a successful year at BPS also focusing on the LCAP goals. Some of the important issues that were discussed in School Safety, Good quality drinking water for the students, and full time School Nurse. Teachers at BPS are doing a wonderful job working with all children.

CABE:

Lupe Espindola shared a framed poster of Vicoria Dorantes who is on the cover of school text books in Mexico. The painting was done by Jorge Camarena a Mexican artist from the State of Jalisco. Lupe had always wondered who this beautiful young woman was and finally was given some background information about her from an employee from the Mexican Consulate booth from Los Angeles that was in the exhibit building at CABE.

Gladis Ramirez shared with the group that she has attended CABE on two occasions and both have been very informative and educational experiences. Your day starts early and ends late, you're on the go all day but it's so worth it. I encourage parents to participate in CABE this coming year, if you have not participated please consider attending you won't be disappointed.

Project 2 Inspire Level 3 modules coming up in September. Lupe and Toni Hernandez will be meeting to finalize the schedule. Lupe will be in contact with the participants and keep them informed as soon as the schedule is completed.

Maria L. Medina and Rosa Olivia Ballesteros commented on the Fatherhood Conference. Rosa attended with her husband Jose, they both found the financial workshop very useful and Jose is looking forward to attending next year. Maria said her husband Ramon shared useful tips he learned about effective discipline.

Those who participated in the School Site Visits all commented positive school environment, engaged students, the great responsibility all the teachers have, and good healthy food from the cafeterias.

In conclusion Mr. Newman thanked everyone for another successful year!
