LCAP Year: SY15/16

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans

(including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA’s process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update

to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. _____
Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero. 0.00

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	<u>654,708.62</u>
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	<u>15,362.15</u>
2. Carry-forward adjustment amount deferred from prior year(s), if any	<u>0.00</u>
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (4.95%) times Part III, Line B18); zero if negative	<u>57,875.74</u>
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (4.95%) times Part III, Line B18) or (the highest rate used to recover costs from any program (4.75%) times Part III, Line B18); zero if positive	<u>0.00</u>
D. Preliminary carry-forward adjustment (Line C1 or C2)	<u>57,875.74</u>
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	<u>not applicable</u>
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment is applied to the current year calculation and the remainder is deferred to one or more future years:	<u>not applicable</u>
LEA request for Option 1, Option 2, or Option 3	<u>1</u>
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	<u>57,875.74</u>

Approved indirect cost rate: 4.95%
Highest rate used in any program: 4.75%

Provide methodology and assumptions used to estimate ADA, enrollment, revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments).

Deviations from the standards must be explained and may affect the approval of the budget.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Funded average daily attendance (ADA) has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA		
3.0%	0	to	300
2.0%	301	to	1,000
1.0%	1,001	and	over

District ADA (Form A, Estimated P-2 ADA column, lines A6 and C9):

District's ADA Standard Percentage Level:

1A. Calculating the District's ADA Variances

DATA ENTRY: For the Second and Third Prior Years, enter data in the Revenue Limit Funded ADA, Original Budget column. For the First Prior Year, enter the data in the Estimated Funded ADA, Original Budget column. All other data are extracted.

Fiscal Year	Revenue Limit (Funded) ADA/Estimated Funded ADA		ADA Variance Level (If Budget is greater than Actuals, else N/A)	Status
	Original Budget (Form RL, Line 5c) (Form A, Lines A6 and C4)	Estimated/Unaudited Actuals (Form RL, Line 5c) (Form A, Lines A6 and C9)		
Third Prior Year (2012-13)	1,363.47	1,356.37	0.5%	Met
Second Prior Year (2013-14)	1,371.96	1,395.63	N/A	Met
First Prior Year (2014-15)	1,395.63	1,395.63	0.0%	Met
Budget Year (2015-16)	1,384.16			

1B. Comparison of District ADA to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for the first prior year.

Explanation:
(required if NOT met)

1b. STANDARD MET - Funded ADA has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

2. CRITERION: Enrollment

STANDARD: Projected enrollment has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA
3.0%	0 to 300
2.0%	301 to 1,000
1.0%	1,001 and over

District ADA (Form A, Estimated P-2 ADA column, lines A6 and C9):

District's Enrollment Standard Percentage Level:

2A. Calculating the District's Enrollment Variances

DATA ENTRY: Enter data in the Enrollment, Budget, column for all fiscal years and in the Enrollment, CBEDS Actual, column for the First Prior Year; all other data are extracted or calculated.

Fiscal Year	Budget	Enrollment		Enrollment Variance Level (If Budget is greater than Actual, else N/A)	Status
		Enrollment	CBEDS Actual		
Third Prior Year (2012-13)		1,349	1,408	N/A	Met
Second Prior Year (2013-14)		1,364	1,450	N/A	Met
First Prior Year (2014-15)		1,449	1,417	2.2%	Not Met
Budget Year (2015-16)		1,430			

2B. Comparison of District Enrollment to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Enrollment was estimated above the standard for the first prior year. Provide reasons for the overestimate, a description of the methods and assumptions used in projecting enrollment, and what changes will be made to improve the accuracy of projections in this area.

Explanation:
(required if NOT met)

The District thought they would increase in ADA like they had the prior 2 years but experienced a decrease. This decrease has been planned in the 15/16 budget. The District will be budgeting the prior year ADA. At the same time, our Kindergarten pre-enrollment is larger than it has been in several years. We have not counted on the ADA in the budget and will wait to make sure the numbers are more solid before adding the increase to the budget.

- 1b. STANDARD MET - Enrollment has not been overestimated by more than the standard percentage level for two or more of the previous three years.

Explanation:
(required if NOT met)

3. CRITERION: ADA to Enrollment

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the budget year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

3A. Calculating the District's ADA to Enrollment Standard

DATA ENTRY: All data are extracted or calculated.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

- 1a. STANDARD NOT MET - Projected change in LCFF revenue is outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard(s) and a description of the methods and assumptions used in projecting LCFF revenue.

Explanation:
(required if NOT met)

The amount is less and misleading in 15-16 as we had a decline in ADA. The District uses the FCMAT LCFF Calculator to project income. CUSD also uses the School Services LCFF Calculator

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the budget year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

It is likely that for many districts the 2014-15 and 2015-16 change from the historical average ratio will exceed the standard because certain revenues that were restricted prior to the LCFF are now unrestricted within the LCFF.

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Projected ratio(s) of unrestricted salary and benefit costs to total unrestricted expenditures are outside the standard in one or more of the budget or two subsequent fiscal years. Provide reasons why the projection(s) exceed the standard, a description of the methods and assumptions used in projecting salaries and benefits, and what changes, if any, will be made to bring the projected salary and benefit costs within the standard.

Explanation:
(required if NOT met)

The numbers projected in 15-16 are before any salary increase will be granted which is always anticipated but not budgeted. The District has carefully looked at all positions to insure they are budgeted. There is \$800,000 one time funding that is budgeted in the 4000-6000 objects which throws off the total expenditure amount. This is anticipated for 15-16 only.

6. CRITERION: Other Revenues and Expenditures

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained.

STANDARD: Unrestricted deficit spending (total unrestricted expenditures and other financing uses is greater than total unrestricted revenues and other financing sources) as a percentage of total unrestricted expenditures and other financing uses, has not exceeded one-third of the district's available reserves¹ as a percentage of total expenditures and other financing uses² in two out of three prior fiscal years.

December 2014
BP 4121(a)

TEMPORARY/SUBSTITUTE PERSONNEL

The Governing Board recognizes that substitute and temporary personnel perform an essential role in promoting student achievement and desires to employ highly qualified, appropriately credentialed employees to fill such positions.

(cf. 4112.2 - Certification)

Hiring

The Superintendent or designee shall recommend candidates for substitute or temporary positions for Board approval, and shall ensure that all substitute and temporary employees are assigned in accordance with law and the authorizations specified in their credential.

(cf. 4113 - Assignment)

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The district shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee. (Education Code 44917)

(cf. 4117.14/4317.14 - Postretirement Employment)

Permanent or probationary certificated employees who were laid off pursuant to Education Code 44955 and who have a preferred right of reappointment shall be given priority for substitute service in the order of their original employment. (Education Code 44956, 44957)

(cf. 4117.3 - Personnel Reduction)

Classification

At the time of initial employment and each July thereafter, the Board shall classify substitute and temporary employees as such. (Education Code 44915, 44916)

The Board may classify as substitute personnel a teacher hired to fill the position of a regularly employed person who is absent from service. (Education Code 44917)

To address the need for additional certificated employees when regular district employees are absent due to leaves or long-term illness, the Board may classify a teacher who is employed for at least one semester and up to one complete school year as a temporary employee. Any person whose service begins in the second semester and before March 15 may be classified as a temporary

employee even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed, which shall not exceed the identified need based on the absence of regular employees. (Education Code 44920)

BP 4121(b)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day to day during the first three months of any school term to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any school term (Education Code 44919)
2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any school term (Education Code 44919)

(cf. 6175 - Migrant Education Program)

(cf. 6200 - Adult Education)

3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the district (Education Code 44919)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of district business during an emergency when persons are not immediately available for probationary classification (Education Code 44919)
5. Serve only for the first semester because the district expects a reduction in student enrollment during the second semester due to mid-year graduations (Education Code 44921)

For purposes of classifying employees pursuant to item #1 or #2 above, the school year shall not be divided into more than two school terms. (Education Code 44919)

Any employee hired to provide services in a categorically funded program or project may be employed for a period less than a full school year. He/she may be classified as a temporary employee if the period of employment will end at the expiration of that program or project. (Education Code 44909)

Salary and Benefits

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the district. (Education Code 44977, 45030)

BP 4121(c)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

Temporary employees shall not participate in the health and welfare plans or other fringe benefits of the district.

Paid Sick Leave

Any temporary or substitute employee who works for 30 or more days within a year of his/her employment shall be entitled to one hour of paid sick leave for every 30 hours worked. Such leave will be paid out as it accrues to the employee on the next regularly scheduled payroll.

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

No employee shall be denied the right to use accrued sick days and the district shall not in any manner discriminate or retaliate against any employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249. The Superintendent or designee shall display a poster containing required information, provide notice to eligible employees of their sick leave rights, keep of records of employees' use of sick leave for three years, and comply with other requirements specified in Labor Code 245-249 and in AR 4161.1/4361.1 - Personal Illness/Injury Leave.

BP 4121(d)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

Release from Employment/Dismissal

The Board may dismiss a substitute employee at any time at its discretion. (Education Code 44953)

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained during one school year. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year. (Education Code 37200, 44954)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Reemployment as a Probationary Employee

Unless released from employment pursuant to Education Code 44954, any person employed for one complete school year as a temporary employee shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary employee. With the exception of on-call, day-to-day substitutes, if a temporary or substitute employee performs the duties normally required of certificated employees for at least 75 percent of the number of days the regular schools of the district were maintained in that school year and is then employed as a probationary employee for the following school year, his/her previous employment as a temporary or substitute employee shall be credited as one year's employment as a probationary employee for purposes of acquiring permanent status. (Education Code 44917, 44918, 44920)

(cf. 4116 - Probationary/Permanent Status)

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary employee except for the fact that such employee is on leave. (Education Code 44920, 44921)

A temporary employee hired pursuant to item #1 or #2 in the section "Classification" above shall be classified as a probationary employee if the duties continue beyond the time limits of the assignment. (Education Code 44919)

A person employed pursuant to item #5 in the section "Classification" above who is then continued in employment beyond the first semester shall be classified as a probationary employee for the entire school year and shall be reemployed to fill any vacant positions in the district for which he/she is certified. Preference for available positions shall be determined by the Board as prescribed by Education Code 44845 and 44846. (Education Code 44921)

With the exception of on-call, day-to-day substitutes, any temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served in a certificated position in the district for at least 75 percent of each of two consecutive school years shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

2015-16 Other ESEA Nonprofit Private School Participation

The LEA must offer to provide equitable services that address the needs of nonprofit private school students, teachers and other educational personnel under the programs listed below.

Title II, Part A Improving Teacher and Principal Quality

The LEA must offer to provide Title II, Part A equitable services that address the needs of nonprofit private school students, teachers and other educational personnel. The enrollment numbers are reported under penalty of perjury by each private school on its annual Private School Affidavit. The information filed in the Private School Affidavit is not verified and the CDE takes no position as to its accuracy. It is expected that districts engaged in private school consultation verify nonprofit status and the accuracy of student enrollment data if it is being used for the purpose of providing equitable services.

Note: Non-unified elementary and/or high school districts that have applied for Title II, Part A funds have the option to add a shared attendance area nonprofit private school if they wish to share responsibility for that school's Title II equitable services.

Title III, Part A Limited English Proficient Student Subgrant Program

On an annual basis, the LEA must consult with all nonprofit private schools within its boundaries, as to whether the private school students and teachers will participate in the Title III, Part A English Language Acquisition, Language Enhancement, and Academic Achievement Program. Consultation with appropriate nonprofit private school officials must be done during the design and development of programs and before decisions are made that affect the opportunities of students and teachers to participate. LEAs may not require documentation that poses an administrative barrier that is inconsistent to their responsibility to ensure equitable participation of private school students and teachers.

SOFTWARE LICENSE AND SUPPORT AGREEMENT

This Software License and Support Agreement (“*Agreement*”) is entered into effective as of June 6, 2015 (“*Effective Date*”) by and between Illuminate Education, Inc., a California corporation (“*Illuminate*”), and *Colusa Unified School District* (“*District*”).

RECITALS

WHEREAS, District desires to implement a web-based software system for student data and assessment management;

WHEREAS, Illuminate has developed and owns such a system known as the Illuminate Data and Assessment Management System (the “*Software*”);

WHEREAS, Illuminate also has licensed from third parties the right to make available in conjunction with the Software (i) a database of test questions known as “*INSPECT*” (“*Item Bank*”) and (ii) software for automated grading of multiple choice exams (“*Grading Software*”); and

WHEREAS, District desires to license the Software and obtain the services as provided herein.

NOW, THEREFORE, in consideration of the mutual representations, warranties and agreements contained herein, the parties hereto agree as follows:

AGREEMENT

1. Term of Agreement. Unless earlier terminated as provided herein, the initial term of this Agreement shall be from the Effective Date through **June 30, 2018** (“*Initial Term*”). This Agreement shall thereafter automatically renew for additional successive one year periods unless written notice of non-renewal is given by either party to the other at least 60 days prior to the end of the then-current term (each a “*Renewal Term*” and together with the Initial Term, the “*Term*”), unless sooner terminated as provided herein.

2. License of Software to District; Third Party Services.

(a) License. Subject to the terms of this Agreement, Illuminate hereby grants to District a limited, non-exclusive, non-sublicensable and non-transferrable license for District employees, students and their parents or guardians (collectively, “*District Users*”) to use the Software during the Term with respect to each of the District locations listed on Exhibit A hereto. Exhibit A may be amended for future school years to include additional District locations. The District Users may not use the Software other than with respect to the locations set forth on Exhibit A or for other than District operations. District is responsible for the actions of all District Users, for ensuring that only authorized District Users are provided access to the Software, and that access of District Users authorized by the District is limited to that portion of the Software and District Data (as defined below) as is reasonably necessary in order to fulfill the purposes of this Agreement.

(b) Third Party Services. Illuminate has entered into agreements with third parties that permit it to authorize the District Users to download from such third parties' servers, or otherwise access, and use, through the Software, (A) the Grading Software and (B) the Item Bank, subject, in the case of the Grading Software, to execution of a standard end user license agreement with the third party provider. So long as Illuminate continues to have the right from the applicable third party to authorize District to use the Grading Software and the Item Bank in connection with the Software, it will enable the Software to allow District Users to do so. In the event that Illuminate ceases to have such right, or the applicable third party dissolves or otherwise ceases to make such product available to Illuminate, Illuminate will work with District to identify an alternative product providing substantially similar functionality and on substantially similar terms, and make such product available to District. If Illuminate is unable to find or obtain the right to provide an alternative product on such terms, District's sole remedy will be a reduction in the Annual License Fee under Section 3(a) and 3(b) by \$1.00 per student, in the case of the unavailability of the Grading Software, and \$1.50 per student, in the case of the unavailability of the Item Bank. Illuminate makes no representations or warranties regarding the functionality, quality or continuing availability of either the Grading Software or the Item Bank (or any alternative product) and will have no liability with respect thereto.

3. Annual Software License Fee. District agrees to pay to Illuminate an annual license fee (the "**Annual License Fee**") for use of the Software and applicable third party services as set forth below.

(a) Initial School Year. A fee for the initial school year beginning **June 6, 2015** and continuing through **June 30, 2016** consisting of:

(i) \$4.00 per student for use of the Software and the Grading Software; and

(ii) \$1.50 per student for use of the Item Bank.

(b) Subsequent School Years During Initial Term. A fee for each school year during the Initial Term after the initial school year, subject to an increase by Illuminate no more often than annually for changes in the cost of living, consisting of:

(i) \$4.00 per student for use of the Software and the Grading Software; and

(ii) \$1.50 per student for use of the Item Bank.

(c) Student Count. The parties agree that the number of students to be used in calculating the Annual License Fee for each school year (the "**Student Count**") shall be determined as follows:

(i) for the initial school year, the Student Count shall be the number of students during the preceding school year based upon **CBED's** at schools in the District that will be using or are authorized to use the Software; and

for each subsequent school year the Student Count will be the number of students during the preceding school year based upon **CBED's** at schools in the District that will be using or are authorized to use the Software.

By way of example, the estimated Annual License Fees for the Initial Term assuming no change in cost of living and a Student Count of **1,456** would be as follows:

Product/School Year	Fee Structure	Estimate of Annual License Fee
Software and Grading Software, June 6, 2015 – June 30, 2016	\$4.00 per student 1,456 students	\$5,824
Item Bank, June 6, 2015 – June 30, 2016	\$1.50 per student 1,456 students	\$2,184
Total		\$8,008
Software and Grading Software, July 1, 2016 – June 30, 2017	\$4.00 per student 1,456 students	\$5,824
Item Bank, July 1, 2016 – June 30, 2017	\$1.50 per student 1,456 students	\$2,184
Total		\$8,008
Software and Grading Software, July 1, 2017 – June 30, 2018	\$4.00 per student 1,456 students	\$5,824
Item Bank, July 1, 2017 – June 30, 2018	\$1.50 per student 1,456 students	\$2,184
Total		\$8,008

(d) Renewal School Years. A fee per student (calculated based on Student Count) for each school year after the Initial Term equal to that generally charged by Illuminate to school districts at the time of renewal.

(e) Payment. The Annual License Fee for each school year shall be paid by District within 30 days of receipt of an invoice from Illuminate.

(f) Failure to Make Payment. In the event District fails to pay the Annual License Fee or other fees due hereunder when due it will constitute a material breach of this Agreement and, upon notice from Illuminate, District agrees to immediately cease, and to cause

District Users to cease, using the Software and Illuminate will have no further obligation to provide any maintenance or support to District or District Users.

(g) Taxes. The fees in this Section 3 and in Section 5 below do not include sales, use or similar taxes which may be applicable. District is solely responsible and liable for payment of all sales, use, excise, value added or similar taxes, duties or charges imposed by any federal, state or local government or jurisdiction with respect to any fees or other payments to be made by District to Illuminate under this Agreement, excluding taxes based on Illuminate's overall net income.

4. Ownership of Software; Third Party Materials. Illuminate and its licensors are and will remain the exclusive owners of all right, title and interest in and to the Software and all derivative works, and in the materials licensed by Illuminate from third parties ("***Third Party Materials***"), including but not limited to copyrights, patent rights, and trade secrets and all other intellectual property rights as may exist now and/or hereafter come into existence, subject only to the rights of third parties in open source components and the limited license granted under this Agreement. In addition, Illuminate shall own any and all other ideas, concepts, themes, technology, algorithms, programming codes, documentation or other intellectual property or copyrightable material conceived, developed, created, written or contributed by Illuminate pursuant to this Agreement ("***Specific Developments***"). District will have no rights in the Software, any derivative works, the Specific Developments or Third Party Materials, except the license and related rights expressly set forth in this Agreement. District agrees not to (i) alter, merge, modify, adapt or translate the Software or Third Party Materials, or decompile, reverse-engineer, disassemble, or otherwise reduce the Software or Third Party Materials to a human-perceivable form, (ii) sell, rent, lease or sublicense the Software or Third Party Materials or (iii) create derivative works based upon the Software or Third Party Materials.

5. Software Implementation, Data Conversion, Hosting and Training Services. Illuminate agrees to provide the services associated with the implementation of the Software, data conversion, hosting and training of District employees on the use of the Software as follows:

(a) Task List. A preliminary list of tasks and associated targeted completion dates are set forth on Exhibit B attached hereto.

(b) Hosting. The Software and District's data will be hosted on Illuminate's servers (included in the Annual License Fee).

(c) Importing of Data. Illuminate will assist District with importing District's data into the Software within 45 business days after Illuminate is provided reasonable access to usable District Data.

(d) Initial Training. Illuminate will provide up to **3** days of initial training to District in the basic use of the Software at a charge of **\$1,500** per day, to be presented as both parties mutually agree. Fees for initial training will be billed by Illuminate in the month following the applicable training. Initial training fees shall be paid within 30 days of receipt of an invoice from Illuminate. By way of example, the estimated initial training fees assuming the maximum number of training days are used would be as follows:

Product/School Year	Fee Structure	Estimate of Total Initial Training Fees
Initial Training, 2015-2016	\$1,500 per day/per trainer 3 training days	\$4,500

(e) Additional Training and Services. Upon written request and authorization by District, Illuminate will conduct additional training and provide additional services to District. Custom development shall be at a rate of **\$120** per hour. Training after initial training is exhausted will be at a rate of **\$1,500** per day for on-site training and **\$500** per day for on-line training. Fees for such services shall be due and payable within 30 days of receipt of an invoice from Illuminate.

6. Ownership and Control of District Data. District will retain ownership of, and the ability to control, all District data imported into the Software (“***District Data***”). District Data includes pupil records, as defined in California Education Code §49073.1(d)(5) (“***Pupil Records***”). Illuminate may, however, use and disclose to third parties District Data that has been anonymized or de-identified. Upon the termination of this Agreement, to the extent District Data resides on Illuminate servers, Illuminate agrees to assist in the transfer all District Data back to District in an industry standard open format such as SQL at no charge.

7. Responsibilities of District. District agrees to prepare and furnish to Illuminate upon request such information as is reasonably requested by Illuminate in order for Illuminate to perform its obligations under this Agreement.

8. Illuminate Software Maintenance and Support. Illuminate agrees to provide maintenance and support of the Software. Such maintenance and support will include coverage in the form of bug fixes and other corrections to the Software; telephone and e-mail support for questions regarding operations of the Software; change the Software as necessary to incorporate upgrades and new features; support to District in resolving problems/errors resulting from misuse or hardware/software failure; telephone or web conferences with District to address future growth or modifications to the Software. Maintenance and support of the Software is provided at no additional cost to District. Illuminate is not responsible for, nor will it have any liability resulting from, (a) modifications to or alterations of the Software or databases by District or District Users, unless such modification or alteration is approved in writing by Illuminate, or (b) any failure of District or District Users equipment or software.

9. Confidentiality.

(a) Confidential Information Defined. Each party (the “***Disclosing Party***”) may from time to time during the Term disclose to the other party (the “***Receiving Party***”) certain information regarding the Disclosing Party’s business, including technical, marketing, financial, employee, planning, and other confidential or proprietary information (“***Confidential Information***”). The Software, Third Party Materials and related know-how, technology, system designs, layouts, software, concepts, techniques, data and files will be considered Confidential Information of Illuminate. District Data will be considered Confidential Information of District.

(b) Protection of Confidential Information. The Receiving Party will protect the Disclosing Party's Confidential Information from unauthorized use, access, or disclosure in the same manner as the Receiving Party protects its own confidential or proprietary information of a similar nature and with no less than reasonable care. District acknowledges that the Software is maintained as a trade secret by Illuminate, and agrees to use reasonable care in preserving such secrecy, including making such information available only to those District Users required to have access in order to fulfill the purposes of this Agreement. Illuminate acknowledges that Pupil Records must be protected and will take all legally required actions, including the designation and training of responsible individuals, to ensure the security and confidentiality of Pupil Records.

(c) Exceptions. The Receiving Party's obligations under this section with respect to any Confidential Information of the Disclosing Party will terminate if the Receiving Party can demonstrate that such information: (i) was already known to the Receiving Party at the time of disclosure by the Disclosing Party; (ii) is disclosed to the Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (iii) is, or through no fault of the Receiving Party has become, generally available to the public; or (iv) is independently developed by the Receiving Party without access to, or use of, the Disclosing Party's Confidential Information. In addition, the Receiving Party will be allowed to disclose Confidential Information of the Disclosing Party to the extent that such disclosure is (i) approved in writing by the Disclosing Party, (ii) necessary for the Receiving Party to enforce its rights under this Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court or similar judicial or administrative body, provided that the Receiving Party notifies the Disclosing Party of such required disclosure promptly and in writing and cooperates with the Disclosing Party, at the Disclosing Party's reasonable request and expense, in any lawful action to contest or limit the scope of such required disclosure.

(d) Return of Confidential Information. In addition to Illuminate's obligations under Section 6, promptly upon the written request of the Disclosing Party following termination of this Agreement, the Receiving Party will either, at Disclosing Party's option, return to the Disclosing Party or destroy all Confidential Information of the Disclosing Party in the Receiving Party's possession or control and certify in writing that it has fully complied with its obligations under this Section.

(e) Use of Confidential Information. The Receiving Party will not use Confidential Information of the Disclosing Party for any purpose prohibited by law or other than as required or reasonably contemplated by this Agreement. Illuminate further agrees it will not use any personally identifiable information in District Data to engage in or facilitate targeted advertising.

(f) Injunctive Relief. Because monetary damages may not be sufficient to remedy a violation of the provisions of this section, a Disclosing Party shall be entitled, upon becoming aware of any such violation and without waiving any other rights or remedies it may have, to seek whatever injunctive or other equitable relief it may deem appropriate.

10. Privacy and Collection of District Data.

(a) Compliance with Law. Each of Illuminate and District represents and warrants that it, and its officials, agents, employees and subcontractors is familiar with the provisions of the Family Educational Rights and Privacy Act (“**FERPA**”) and equivalent state provisions, and each party agrees that it will comply with such provisions and take all reasonable measures necessary to protect student education records from unauthorized acquisition or release. In the event that any unauthorized acquisition or release of student education records occurs, each party agrees to advise the other promptly upon discovery of such unauthorized acquisition or release and, if required by law, District will notify the affected parent, legal guardian or student (if at least 18 years of age), as applicable, in writing of such unauthorized acquisition or unauthorized release.

(b) Sharing of District Data. Illuminate will not share District Data, except to the extent it has been anonymized or de-identified, with or disclose it to any third party, except (i) as directed by District or District Users, (ii) to District Users as contemplated by this Agreement, (iii) to Illuminate’s subcontractors who need access to fulfill Illuminate’s obligations under this Agreement and who have agreed to maintain the confidentiality of such information or (iv) as required by applicable law. When Illuminate believes that any disclosure is required by applicable law, it shall promptly notify the District prior to the disclosure and give the District a reasonable opportunity to object to the disclosure.

(c) Storage and Process. Illuminate will store and process District Data in accordance with commercially reasonable practices, including appropriate administrative, physical, and technical safeguards, to secure such data from unauthorized access, disclosure, alteration, and use.

(d) Right to Correct. A parent, legal guardian, or student who has reached 18 years of age may review personally identifiable information in the student’s education records and correct erroneous information by serving a written request for access or description of the erroneous information and written request for correction upon District and furnishing District, upon request, such information as is reasonably requested to respond to the request. District is responsible for correcting all such erroneous information and Illuminate agrees to fully cooperate with District to make such corrections.

(e) Social Security Numbers. District agrees that it will not collect or store as part of the District Data or otherwise any social security numbers.

11. Illuminate Warranty.

(a) Software Warranty. Illuminate warrants to District that the Software as delivered, will materially comply with the published specifications of Illuminate for such Software. Illuminate’s obligations under this warranty are limited to providing District with a copy of corrected Software. Illuminate does not warrant that the operation of the Software will be uninterrupted or error-free. IN PARTICULAR, FOR PURPOSES OF THE FOREGOING WARRANTY, ILLUMINATE AND DISTRICT ACKNOWLEDGE THAT THE SOFTWARE IS NOT AND CANNOT BE MADE TO BE 100% ACCURATE, AND THAT ANY ERRORS OR FAILURE TO PERFORM SHALL NOT BE DEEMED A BREACH OF SUCH

WARRANTY UNLESS THEY ARE SIGNIFICANT AND NOT TO BE EXPECTED IN LIGHT OF THE LIMITATIONS OF SOFTWARE OF THIS TYPE.

(b) No Other Warranty. EXCEPT AS EXPRESSLY SET FORTH ABOVE, ILLUMINATE DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, WITH REGARD TO ALL TECHNOLOGY, THIRD PARTY MATERIALS, SOFTWARE OR DERIVATIVE WORKS PROVIDED OR OTHERWISE LICENSED TO DISTRICT IN CONNECTION WITH THIS AGREEMENT, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE AND NON-INFRINGEMENT.

12. Indemnification.

(a) By Illuminate. Illuminate agrees to defend, indemnify and hold harmless District and its directors, officers, employees, and agents from and against all damages, costs (including reasonable attorneys' fees), judgments and other expenses arising out of or on account of any third party claim: (i) alleging that the Software infringes or misappropriates the proprietary or intellectual property rights of any third party, except to the extent that such infringement results from District's misuse of or modifications to the Software; (ii) that results from the negligence or intentional misconduct of Illuminate or its employees or agents; or (iii) that results from any breach of any of the representations, warranties or covenants contained herein by Illuminate.

(b) By District. To the extent permitted under applicable law, District agrees to defend, indemnify and hold harmless Illuminate and its directors, officers, employees, and agents from and against all damages, costs (including reasonable attorneys' fees), judgments and other expenses arising out of or on account of any third party claim that results from (i) the negligence or intentional misconduct of District or its employees or agents or (ii) any breach of any of the representations, warranties or covenants contained herein by District.

(c) Indemnification Procedure. The parties' obligation to indemnify is subject to the conditions that the party with the obligation to indemnify ("**Indemnifying Party**") is given prompt notice of any such claims and is given primary control of and all reasonably requested assistance (at the other party's cost) for the defense of such claims (with counsel reasonably satisfactory to the party being indemnified ("**Indemnified Party**")), provided that the Indemnified Party shall under no circumstances be required to admit liability, and provided further that any delay in notification shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that the delay materially impairs its ability to indemnify. Without limiting the foregoing, the Indemnified Party may participate in the defense at its own expense and with its own counsel; provided that if the Indemnified Party reasonably concludes that the Indemnifying Party has conflicting interests or different defenses available with respect to such claim, the reasonable fees and expenses of one counsel to the Indemnified Party shall be borne by the Indemnifying Party. The Indemnifying Party shall not enter into or acquiesce to any settlement containing any admission of or stipulation to any guilt, fault, liability or wrongdoing on the part of the Indemnified Party or which would otherwise adversely affect the Indemnified Party without the Indemnified Party's prior written consent (which shall not be unreasonably withheld). The Indemnifying Party shall keep the Indemnified Party advised of the status of the

claims and the defense thereof and shall consider in good faith the recommendations made by the Indemnified Party with respect thereto.

13. Insurance. Illuminate agrees to carry a comprehensive general and automobile liability insurance with limits of Two Million Dollars (\$2,000,000.00) per occurrence combined single limit for bodily injury and property damage in a form mutually acceptable to both parties to protect Illuminate and District against liability or claims of liability which may arise out of this Agreement. Illuminate agrees to maintain workers' compensation insurance as required under applicable law.

14. Termination.

(a) Termination by District. District may terminate this Agreement without cause prior to the expiration of the Term, effective upon the end of a District fiscal year, by giving Illuminate written notice of its intent to so terminate at least sixty (60) days prior to the end of such District fiscal year.

(b) Termination for Cause. Either party may terminate this Agreement prior to the expiration of the Term, effective immediately upon written notice to the other party, in the event of a material breach of this Agreement by the other party hereto, which breach remains uncured for more than thirty (30) days after written notice thereof. In addition, either party may terminate this Agreement upon ten (10) days written notice to the other party upon the occurrence of any one or more of the following: (i) the institution by or against the other party of insolvency, receivership, or bankruptcy proceedings or any other proceedings for the settlement of the other party's debts; (ii) the other party making an assignment for the benefit of creditors; or (iii) the other party's dissolution.

(c) Rights in Law and Equity Remain. The foregoing rights to terminate are in addition to, not in lieu of, all other rights and remedies which may be available to either party under this Agreement, at law and/or in equity.

(d) Survival. The obligations in the following Sections will survive any expiration or termination of this Agreement: Sections 2(b), 4, 6, 9, 10, 11, 12, 14 and 15 and any obligations to pay for license fees, services, training or taxes pursuant to Sections 3 or 5 that were earned or payable relating to the period prior to termination.

15. Miscellaneous.

(a) Entire Agreement; Counterparts. This Agreement and the Exhibits hereto contain the entire agreement between the parties with respect to the transactions contemplated hereby and supersedes all prior negotiations, commitments, agreements and understandings between them with respect thereto. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and will become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a ".pdf" data file, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

(b) Notices. All notices, requests, demands and consents to be made hereunder to the parties hereto pursuant to this Agreement will be in writing and will be sufficiently given if personally delivered, sent by other means of electronic transmission (including electronic mail) or sent by mail, postage prepaid to the party at the following addresses or to such other address as either party may hereafter designate to the other in accordance herewith:

(c) Assignment; Successors and Assigns. Neither party may assign this Agreement or its obligations hereunder without the prior written consent of the other party hereto, except that either party may assign this Agreement in connection with a sale of all or substantially all its outstanding equity or assets without the consent of the other party hereto. Subject to the foregoing, this Agreement will be binding upon, and inure to the benefit of, each of the parties hereto and, except as otherwise expressly provided herein, their respective legal representatives, successors and assigns.

(d) Amendments, Waivers and Severability. Except as otherwise provided herein, this Agreement may be amended, and compliance with any provision of this Agreement may be omitted or waived, only by written agreement duly signed by Illuminate and District. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will not invalidate or render unenforceable the remaining provisions of this Agreement.

(e) Governing Law. This Agreement will be governed by, and construed and enforced in accordance with, the substantive laws of the State of California, without regard to its principles of conflicts of laws.

(f) Relationship of the Parties. Nothing contained in this Agreement will be construed as creating any agency, partnership, or other form of joint enterprise between the parties. The relationship between the parties will at all times be that of independent contractors. Neither party will have authority to contract for or bind the other in any manner whatsoever. This Agreement confers no rights upon either party except those expressly granted herein.

(g) Interpretation. This Agreement will be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The headings in this Agreement are for reference only and will not affect the interpretation of this Agreement.

(h) No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or will confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(i) Improper Payments. Illuminate represents and warrants that it has not directly or indirectly offered or given, and will not directly or indirectly offer or give, to any employee, agent or representative of District any cash or noncash gratuity or payment with a view toward securing any business from District or influencing such person with respect to the conditions, or performance of any contracts with or orders from District, including without limitation this Agreement.

(j) Limitation of Liability. In no event will either party be liable to the other party or to any third party for any incidental, special, indirect, exemplary, punitive or consequential damages arising out of or relating to this Agreement, including any damages for business interruption, loss of use, or lost or damaged data, whether arising out of breach of contract, tort (including negligence) or otherwise, even if such party or any of its authorized representatives has been advised of the possibility of such damages. Each party's aggregate liability arising out of or relating to this Agreement for any damages, costs, judgments, expenses or loss resulting from any claims, demands, or actions arising out of or relating to this Agreement (including indemnification) will not exceed the fees paid or due payable by District to Illuminate during the preceding twelve months pursuant to this Agreement.

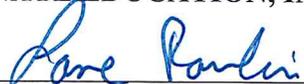

(k) Force Majeure. Neither party will be liable to the other for any delay or failure to perform due to causes beyond its reasonable control. Performance times will be considered extended for a period of time equivalent to time lost because of any such delay by providing prompt written notice of such expected delay to the other party.

(l) Due Authority of Signatories. Each individual signing this Agreement on behalf of a party represents and warrants that he or she has been duly authorized by appropriate action of such party to execute, and thereby bind such party to, this Agreement.

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the Effective Date.
