# Goal 01

## Improve Student Achievement and Close Achievement Gaps

### Identified Need

Student Achievement scores and other indicators of improved learning are below levels expected by our community, staff and Board.

A significant achievement gap remains between student sub groups.

Staff trainings on student information systems

Purchase and implement History/Social Science curriculum

Identify and develop student talents

Add yard duty staff for supervision and safety

Pilot iReady ELA & Math benchmark assessment software

Implement Next Generation Science Standards

Add TK-8 counselor for social/emotional/behavioral support

Teacher training on new curriculum

# Goal 02

## Improve the Atmosphere in Our Schools and the Communication Between School and Home

### Identified Need

Student Achievement improves when the communication between school and home is strong. Supporting our students includes efforts to connect with their families.

# Goal 03

## Improve Access to, and Use of, Instructional Technology and Modern Facilities

### Identified Need

At CUSD, our Vision is to provide, in cooperation with our families, an excellent, well-balanced education where students gain skills necessary for success in an ever-changing world.

We believe our funding and focus should reflect the increasing demand for technology-related skills.

Work toward a 1:1 ratio of students to devices

Safe 24/7 student internet and device access

Pursue technology grant

Train parents on social media and internet safety

Implement weekend technology lab access
