15% Students with Disabilities

LCAP Budget

Goal 01

Improve Student Achievement and Close Achievement Gaps

Identified Need

Student Achievement scores and other indicators of improved learning are below levels expected by our community, staff and Board.

A significant achievement gap remains between student sub groups.

Staff trainings on student information systems

Implement History/ Social Science Curriculum

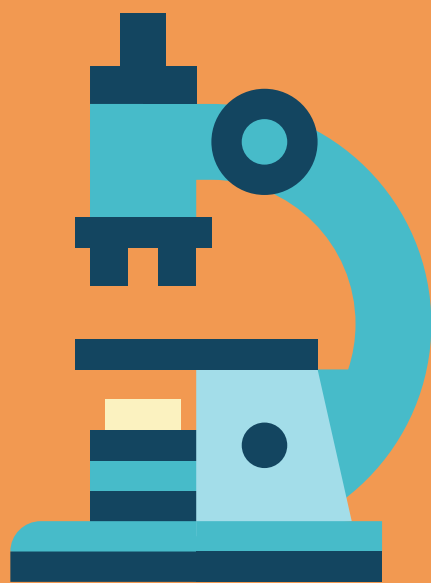

Identify and develop student talents

Explore Dual Enrollment and Advanced Placement options

Implement iReady ELA & Math benchmark assessment software

Implement Next Generation Science Standards

Design and Implement Career Technical Education Business Pathway

Teacher training on English Language Development, challenging high-achieving students, best practice classroom instruction

Goal 02

Improve the Atmosphere in Our Schools and the Communication Between School and Home

Identified Need

Student Achievement improves when the communication between school and home is strong. Supporting our students includes efforts to connect with their families.

Go Green:
Convert student records
to electronic format

Homework help
training for
K-8 parents

Reclassification
celebrations for
English language
learners

Community
engagement
efforts

Parent trainings
on student
information
systems

Implement Level 3
Project 2- Inspire
for bilingual Parent
Leadership training

Student, staff,
parent and
community
surveys

Goal 03

Improve Access to, and Use of, Instructional Technology and Modern Facilities

Identified Need

At CUSD, our Vision is to provide, in cooperation with our families, an excellent, well-balanced education where students gain skills necessary for success in an ever-changing world.

We believe our funding and focus should reflect the increasing demand for technology-related skills.

Devices immediately available to students when needed

Safe 24/7 student internet and device access

Pursue technology grant

Train parents on social media and internet safety

Remodel classroom to install 21st Century Business technology lab
