## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Updated and readily available resources are important if students are to perform at their best in class. The State of California adopts textbooks that meet quality standards established by the State Board of Education. The Colusa Unified School District selects textbooks and other instructional materials from these state adoptions. Subjects are reviewed on a seven-year cycle. All of the textbooks currently in use meet these standards. They were selected to match the needs of Egling students by a Task Force comprised of teachers and administrators and approved by the State Board of Education. All students have state adopted texts and state approved intervention programs are being implemented.

## School Facility Conditions and Planned Improvements

Thanks to the Colusa voters and the passing of the school bond. Egling Middle School has a new fire alarm system and fire sensors. We have updated our phone and internet connections. Egling has received two new portable classrooms. New HVAC systems have been added to our portable classrooms and 200 wing. Our band room has updated storm windows and the floor has been renovated. Lights throughout the buildings have been upgraded to an energy efficient system. Our gym floor and our playgrounds are new as well. It is important that the facilities at our school reflect our pride and caring. We strive to maintain clean and beautiful grounds. Buildings and grounds receive regular maintenance. The district provides Egling 2 full-time day custodians and 2 part time custodian to meet our facility needs.

The Director of Maintenance and administrators identify long-term maintenance needs and determine when to schedule necessary repairs. Work identified as a major repair is handled through a district work-order process. Site custodians do minor repairs and maintenance such as painting and furniture upkeep. Emergency repairs are given highest priority. The administrators work with the custodial staff to develop a cleaning schedule to ensure a clean and safe school.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

<b>Mathematics</b> (grades 3-8 and 11)	26	29	26	28	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 School Safety Plan

School safety is the highest priority at our school. Egling Middle School has a closed campus policy and all visitors are required to report to the office for permission to be on campus and receive a visitor's badge. All staff on campus wear school ID badges. We provide adequate adult supervision for the cafeteria, playground, and other areas immediately before and after school. The principal, vice principal, counselor and athletic director regularly assist with student supervision. Our After School Program is offered to all 4th - 8th grade students and runs at capacity. The program includes homework assistance, a healthy snack and extracurricular activities. The program supervises students from the end of the regular school day until 6:00 p.m.

The School Safety plan is updated annually in accordance with Senate Bill 187. The key elements of the plan include traumatic incidents, imminent danger procedure, evacuation/relocation procedure, civil defense/disorder, bomb threat/bomb emergency, earthquake, chemical spill, crime in progress, and fire/explosion. Drills are practiced monthly. The staff participates in emergency scenarios in order to maintain decision-making and communication procedures for a given emergency.

In conjunction with our District Attorney's Office all students are provided with internet safety training. The Colusa Probation Department facilitates our 7th and 8th grade Girls' Circle and Boys' Council. The Sheriff's Department provides the Drug Awareness and Resistance Education (DARE) for our 5th Graders and Students Working Against Tobacco (SWAT) 4th grade students. Annually, we hold a "Safety Day" where community services come to present on a variety of topics for prevention and safety purposes. Egling Middle School has random visits from Interquest Detection Canines.

## Professional Development

The district has increased its efforts in providing teachers with additional training needed to keep abreast of the changes in education. Staff development activities and training include implementation of Achievement Teams, data analysis of iReady and use of Aeries SIS/Parent Square.

As well, we have continued with the implementation of iReady as a benchmark assessment and individualized intervention program.

Our district has implemented teacher professional learning time every Wednesday afternoon when students are excused 30 minutes early. Teachers use this additional time to collaborate on instructional and curricular needs. We also have three training days before school that provide teachers with additional training in technology, curriculum and effective teaching strategies. Currently the District is preparing a district-wide professional development plan for multiple years.

This table displays the number of school days dedicated to staff development and continuous improvement.
